Attachment 1 (Entrant Data Form)

I. Background

A. The Visual Information Awards Program (VIAP) is designed to recognize, reward and promote excellence among military photographers, videographers, journalists, broadcasters, photojournalists, graphic artists and mass communication specialists for their achievements in furthering the objectives of military photography, videography, and graphic arts as a command information and documentation medium within the military. This program operates under the aegis of the Office of the Assistant Secretary of Defense for Public Affairs (OASD(PA)) and is administered by the Commandant of the Defense Information School (DINFOS), with cooperation from national and local professional organizations.

B. Encompassed in the VIAP are the Military Photographer of the Year Competition (MILPHOG), the Military Videographer of the Year Competition (MILVID), and the Military Graphic Artist of the Year Competition (MILGRAPH).

II. Eligibility

A. The VIAP competitions are open to Active Duty, Reserve, and National Guard enlisted personnel of the five Armed Services holding the MOS, rating, NEC, or AFSC of photographer, journalist, photojournalist, videographer, broadcaster, graphic artist, mass communication specialist or equivalent. Members who leave the Armed Forces during the year may compete as long as the material submitted was completed in its entirety while on active duty or in a Reserve or National Guard status. Personnel assigned to the Coast Guard Auxiliary and the Civil Air Patrol are prohibited from competing, unless eligible under another category.

B. The Commandant, Defense Information School, or his/her designee, will address all questions concerning eligibility.

III. Contest Dates

A. Material entered for competition must have been produced between January 1, 2007 and December 31, 2007, and not have been previously judged in a VIAP competition. All entry packages must be postmarked no later than **February 15, 2008** (see Section XI, Packaging/Shipping Entries, page 6). All those postmarked after February 15, 2008 will not be accepted.

IV. Rules

A. All entrants must meet the eligibility requirements of Section II, Eligibility (page 2).

B. All entries must:

1. **Have been produced for military purposes as part of the entrant's official visual information duties AND;**

2. **Must conform to the ethical policies outlined in DoD Directive 5040.5 AND; (although not addressed in 5040.5, strokes and text on photos are strictly prohibited)**

3. **Must be approved for public release by an Installation Commanding Officer or other designated representative (e.g. Field Public Affairs Officer, Syracuse and DINFOS faculty/staff/students contact 301.677.6428) AND;**

4. **Must meet the requirements specified in Section III, Contest Dates (page 2).**

5. Entries received that in the opinion of SME and/or contest officials do not meet these criteria will be disqualified.

C. Each entry is limited to the work of one entrant who must have performed a majority of the work required to complete the entry.

D. An entrant may compete in one or more competition. However, an individual image may be entered in only one competition (with the exception of entries submitted as part of a portfolio). For example, an image entered in the Illustrative Photography category in the MILPHOG competition cannot be simultaneously entered into the Illustration category of the MILGRAPH competition. Also, a single entry can only be entered into one category within a competition with the exception of picture story where the component images may be entered into other categories. For example, an image entered in the Fine Art category of the MILGRAPH competition cannot be entered into the Digital Art category within that same MILGRAPH competition.

E. Work completed as part of a professional business enterprise cannot be submitted.

F. Entries must conform to all applicable DoD components, Copyright Law infringement and U.S. Coast Guard guidelines as well as all rules of this program and the individual competition submitted to, and must meet all category eligibility requirements. This includes caption, VIRIN and image specifications as set forth in DoDD 5040.2.

G. All mailed entries must be accompanied by a signed statement certifying the work as that of the entrant (see attachment 1).

H. Additional rules pertaining to each competition are outlined in the applicable section of this document.
